

NERVAL CORPORATION Care & Maintenance documents provide guidelines on how to care for your **NERVAL** product. Failure to comply with **NERVAL's** Care & Maintenance documents voids product warranty.

CLEANING	GLOSS	MATTE	TEXTURED
Daily Cleaning	For daily cleaning, use soap and warm water, or an ammonia based cleaner. Do not use acidic cleaners, such as vinegar or lemon juice or other acidic cleaners, as they can damage the finish of the surface overtime.		
Water Marks	Wipe surface with a damp cloth, and then towel dry with a soft, non-abrasive cloth.		
Disinfecting	NERVAL Cast Marble products are sealed and non-porous, making disinfecting a simple tasks, as the surface is naturally antimicrobial. NERVAL cast marble surfaces can be cleaned with a non-abrasive cleaner and a soft, clean cloth.		
Occasional Maintenance	Buff surface with a polishing compound, or car wax	Rub with a Scotch-Brite™ pad and clean with soap and water.	Use daily cleaning practices.
Minor Scratches & Cuts	Sand damaged area with a random orbital sander. Begin with a 400 grit sandpaper to remove scratches or cuts.	Sand damaged area with 400 grit sandpaper. Then use a Scotch-Brite™ pad to blend in finish.	Sand damaged area with 400 grit sandpaper. Then use a Scotch-Brite™ pad to blend in finish.
Tough Stains & Cigarette Burns	Step 1: Use an abrasive cleaner such as Comet™, Ajax™, or a Scotch-Brite™ pad. If the stain does not come out, sand area with 400 grit sandpaper.		
	Step 2: Polish with a buffing compound and a low speed polisher. Small areas can be polished by hand.	Step 2: Use a Scotch-Brite™ pad again if necessary.	Step 2: Use a Scotch-Brite™ pad again if necessary.

PREVENTING DAMAGE

- Prevent exposing **NERVAL** cast marble to strong chemicals, such as paint strippers, stain removers, nail polish removers, and hair dye. These could stain or damage the surface. If spills occur, quickly flush the surface with soapy water and clean.
- Do not expose **NERVAL** cast marble to hot irons, curling irons, cigarettes, or coffee pots.
- **NERVAL** cast marble products should not be used as a cutting board. Minor scratches may be easily repaired, but deep cuts may not.
